Dear Mr Gray

Application for Modification Order of Footpath <sup>5</sup>27B Biggin Hill  
1

Thank you for returning the Public Right of Way Evidence Forms sent you in January. As I explained on the telephone I have been advised to claim Footpath 275B as a Bridleway as a result of discovering evidence that it was shown as a cart track on an older map (copy enclosed). I now enclose the twentyone forms again, which have been altered accordingly, to claim Footpath 275B as a Bridleway, together with forms under Schedules 7, 8 and 9 of the Wildlife and Countryside Act 1981 in support.

I confirm I have sent a Notice under Schedule 8 to each of the owner/occupiers as mentioned in Schedule 9 of my application and should be grateful if you would give me authority to post copies of the Schedule 8 Notice at each end of the tracks in question in case there is an owner/occupier I have failed to reach.

I also enclose a copy of a map of the area in question - Scale 1:25000.

I look forward to hearing from you.

Yours sincerely

Ann Hayes

Dear Mr Gray

**Footpath 275B Jail Lane to Main Road Biggin Hill**

Thank you for your letter of the 23rd February. I enclose a copy of the Notice I have served on the Chevening Estate and a copy of the Notice under Schedule 9 confirming I have served Notice on all the owner/occupiers near to Footpath 275B whom I thought might have an interest in this matter. I served notice on Cherry Lodge Golf Course because the Golf Course abuts Footpath 275B.

I confirm that I placed Notices at each end of both the sections of Footpath 275B indicated on your map, and enclose photographs of three of them, showing beneath them a copy of the Times newspaper dated March 4th 2009. One photograph is still in my camera, but if you need it, I'll remove the mostly unused film and have what is on it developed and printed.

Yours sincerely

Ann Hayes
