**TOWN AND COUNTRY PLANNING ACT 1990
THE TOWN AND COUNTRY PLANNING (DEVELOPMENT MANAGEMENT
PROCEDURE) (ENGLAND) ORDER 2015 (AS AMENDED)**

NOTIFICATION OF REFUSAL OF PLANNING PERMISSION

Take notice that the Council of the London Borough of Bromley, in exercise of its powers as local planning authority under the above Act, has **REFUSED** planning permission for the development, referred to in your application received on
12th August 2022 as amended by documents received on 26.05.2023 16.08.2023

at : Home Farm Kemnal Road Chislehurst BR7 6LY

Proposal: Demolition of part of Greenacres , demolition of Polo Mews North, demolition of Polo Mews South and demolition of part of The Bothy. Erection of linking extension between Polo Mews North and Polo Mews South. Erection of a two storey extension to The Bothy. Establishment of new vineyard. Provision of new solar panel array. Erection of hydrogen energy plant and equipment. Erection of new single storey dwelling. Rearrangement of the internal access roads.

For the following reasons :-

- 1 The proposal would result in a form of development which is inappropriate development in the Green Belt. The siting, scale and design of the proposal would also fail to preserve the openness of the Green Belt and would result in harm to the rural character of the locality. The other considerations put forward by the applicant would fail to clearly and demonstrably outweigh the harm by reason of its inappropriateness and other harm. Consequently, very special circumstances have not been demonstrated and the proposal is therefore contrary to the National Planning Policy Framework (2021), London Plan Policy G2, BLP Policies 37, 49 and 51.
- 2 The proposed alteration, demolition and extensions to the Bothy cottage, Bothy House and flat, by reason of their excessive size, scale and design would be out of scale and out of keeping with the original buildings. The proposal would also have an adverse impact on its setting and its significance as a group, failing to preserve or enhance the character and appearance of the locally listed buildings and Chislehurst Conservation Area, contrary to the National Planning Policy Framework (2021), London Plan Policies D3 and HC1, BLP Policies 37, 49, 51 and 52.

- 3 The proposal alteration, demolition and extensions to No.1 to No.4 Polo Mews, by reason of its excessive size, scale and design would be out of scale and out of keeping with the original buildings.

The proposed demolition of No.3 and No.4 Polo Mews, alteration, demolition and extensions to No.1 to No.2 Polo Mews would have an adverse impact on its setting and significance of the locally listed buildings as a group, fail to preserve or enhance the character and appearance of the locally listed buildings and Chislehurst Conservation Area, contrary to the National Planning Policy Framework (2021), London Plan Policies D3 and HC1, BLP Policies 37, 49, 51 and 52.

- 4 The proposal development, by reason of its excessive number of parking spaces would fail to achieve sustainable development. Insufficient information has been provided to confirm adequate cycle storage spaces and electrical vehicle charging point can be provided, contrary to London Plan Policies T5, T6 and T6.1.
- 5 Insufficient and inadequate information has been provided to demonstrate the level of BNG at 18 percent and a 0.3 target score for urban greening factor can be achieved, contrary to London Plan Policies G5 and G6 of the London Plan.

Signed:

Assistant Director (Planning)

On behalf of the London Borough of Bromley Council

YOUR ATTENTION IS DRAWN TO THE NOTES OVERLEAF – these include information on time limits within which to submit an appeal, which can be as short as 28 days from the decision date.

To assist applicants the Local Planning Authority has produced policies and written guidance, all of which is available on the Council's website at www.bromley.gov.uk/planning. Through the provision of a pre-application advice service the Local Planning Authority encourages early engagement to resolve problems that can occur in relation to dealing with a planning application by providing clear guidance as to how the aims of the development plan can be achieved in a sustainable and appropriate manner in accordance with paragraphs 188 - 190 of the National Planning Policy Framework 2012.

Approvals with or without conditions, or refusals of applications for planning permission under the Town and Country Planning Act 1990 and the Town and Country Planning (General Development Procedure) Order 2015 (as amended) and applications for Listed Building and Conservation Area Consent under the Planning (Listed Buildings and Conservation Areas) Act 1990 (as amended)

Southern Gas Network (SGN) has asked the Council to highlight the importance of working safely near gas pipelines. The following links give clear guidance on what to do and who to contact before starting any work and how to locate pipes near to your property.

If you disagree with the decision of the Local Planning Authority (LPA) to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, you may appeal to The Planning Inspectorate (PINS). This is an independent Executive Agency which provides fair and impartial decisions on appeals against LPA decisions on planning consents in accordance with Section 78 of the Town and Country Planning Act 1990 and for Listed Building and Conservation Area consents in accordance with Section 20 and 21 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

Appeals must be made within 12 weeks of the Decision Notice date for householder planning applications and within 6 months for any other application. They must be submitted on a form, which is obtainable from The Planning Inspectorate Temple Quay House, 2 The Square, Temple Quay Bristol BS1 6PN or online from <https://www.gov.uk/appeal-planning-decision>. If an enforcement notice is or has been served relating to the same or substantially the same development as in your application, then the time limit to appeal will expire 28 days after the enforcement notice is served – except that you will have a minimum of 28 days to appeal after the right of appeal begins and the time limit will expire no later than it would if there were no enforcement notice.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority (PlanningAppeals@bromley.gov.uk) and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. See <https://www.gov.uk/government/collections/casework-dealt-with-by-inquiries> for further details.

The Secretary of State (including PINS) is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the Local Planning Authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the Statutory requirements, to the provisions of the development order, and to any directions given under the order.

If planning permission, listed building or conservation area consent to develop land is refused, or granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State (including PINS) on appeal, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the London Borough of Bromley a purchase notice requiring that the Council purchase his interest in the land in accordance with the provisions of Part VI Chapter 1 of the Town and Country Planning Act 1990 or in accordance with the provisions of Section 32 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

In certain circumstances, a claim may be made against the local planning authority for compensation, where permission or consent is refused, or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. These circumstances in which compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990 and in Section 27 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

Applications for Express Consent under the Town and Country Planning Act 1990 and the Town and Country Planning (Control of Advertisements) Regulations 2007

If you disagree with the decision of the local planning authority to refuse consent for the display of an advertisement or to grant consent subject to conditions, you may by notice served within 8 weeks of the receipt of this notice, or such longer period as the Secretary of State may agree, appeal to the Planning Inspectorate in accordance with the provision of Part 3 Section 17 of The Town and Country Planning (Control of Advertisements) Regulations 2007. Forms are available from The Planning Inspectorate Temple Quay House, 2 The Square, Temple Quay Bristol BS1 6PN or online from <https://www.gov.uk/appeal-planning-decision>

Town and Country Planning Act 1990 (as amended). A Certificate of Lawfulness for an existing proposed use or development

You are reminded that the Borough Council's permission does not modify or affect any personal or restrictive covenants, easement, etc., applying to or affecting either this or any other land or the rights of any persons (including the London Borough of Bromley Council) entitled to the benefits thereof or holding an interest in the property concerned in this development or in any adjoining property.

ACCESS FOR PEOPLE WITH DISABILITIES

Your attention is drawn to British Standard and Government advice concerning means of access for people with a disability. This advice applies to educational, recreational and retail premises as well as office, factories and business premises.

Community Infrastructure Levy (CIL) Information Note

This application is considered to be liable for the Mayor of London's Community Infrastructure Levy (CIL). The CIL is a planning charge levied on net additional floorspace arising from new developments or creation of new dwellings (including through a change of use) in order to fund infrastructure to support development in the local area. The Council acts as collecting authority for the Mayor of London who has a levy to raise money for transport Infrastructure in the London area.

The first step in the CIL process is to complete a CIL Additional Information Requirement Form or Form 5: Notice of Chargeable Development for permitted developments. All the forms underlined can be found at: <http://www.bromley.gov.uk/cil>

The CIL Team can calculate the CIL liability based on the information you provided for the planning application, however we are unable to discount existing floorspace that has been in continuous use without the above forms.

At the same time, Form 1: Assumption of Liability must be completed in order to produce a Liability Notice. This form tells us who is responsible for paying the CIL charge. If this form is not completed within two weeks of the issue of the planning decision notice, CIL liability will default to the landowner or applicant at a cost of £50. You may have already completed the forms above during the application process.

If you wish to apply for charitable or social housing relief then Form 2: Claiming Exemption or Relief should be submitted. If you are a 'self builder' who builds or commissions a home for their own occupation you may apply for exemption using Form 7: Self Build Exemption Claim Form: Part 1 for the entire home or Self Build Annex or Extension Claim Form. **Exemption forms must be submitted before commencement** of the development and will be granted relief upon receiving a Relief Decision Notice. The **Form 7: Self Build Exemption Claim Form Part 2 form must be submitted within six months of completion** or the levy will become payable.

The Council will serve a Liability Notice on the person(s) who have assumed liability to pay. It is the liable party's responsibility to notify the Council when commencement (demolition, digging for foundations and underground services and change of use) has started using Form 6: Commencement Notice. **Late notification of a commencement date will result in penalties such as the removal of eligibility for the self-build exemption, a 20% surcharge**, the removal of the 60 day payment period requiring immediate payment or CIL stop notices.

The Council will issue a Demand Notice to the liable person(s) setting out the total CIL amount payable on commencement of the development and the payment date. Please note the chargeable amount will be indexed linked. This notice will be emailed and/or posted to the liable person(s) via the contact details provided in Form 1: Assumption of Liability.

Our finance contractors will shortly afterwards send an invoice with a paying-in slip and information on payment methods following a Demand Notice. Non-payment and failure to comply with CIL procedures will result in surcharges.

The CIL liability will be registered as a local land charge against the land affected by the planning permission and will be revealed when a property search is made. CIL payment will make the charge on the register fulfilled.
