Guidance notes for Parent/Carer – applying for a Bromley Primary School

Please read these guidance notes carefully before completing each section of the application form and keep for your reference.

1. Parent/carer and child details:

You and your child must be resident at the application address before submitting the application form. Future or temporary addresses will not be taken into account. The address must be the child's permanent address.

The applicant parent must have parental responsibility for the child. Where both parents share responsibility we would accept that the child lives with the parent who is entitled to register for child benefit. Recent change of parental responsibility will only be accepted under exceptional circumstances or the change is supported by a court order. Custody issues cannot be resolved by the local authority and it will not enter into discussions about this.

If you are not the parent but you are a close relative, i.e. grandparent, sibling, aunt, uncle or step-parent you will need to provide proof of your relationship to the child and that you have delegated parental responsibility.

If you are not the parent or a close relative, you must provide legal documentation to confirm the arrangement. You are also required to register with Bromley Children's Social Care 020 8461 7373 / 01689 897475 www.bromley.gov.uk/privatefostering

2. Documents required to support your application

When returning the form please ensure that you have provided copies of ALL the documents listed below. Failure to do so will delay your child's admission to school.

Please provide photocopies – do not send originals. If you are sending your application via email, we can only accept PDF attachments, please do not send photos.

- **Current council tax statement or registration email**
- **Child's full birth certificate** – so we can verify parental responsibility.
- **School report** – Please enclose a photocopy of the child's most recent report.
- **If you have lived at the application address for less than 12 months** – You may be asked to provide additional documents.

3. School Transfer Requests

Moving schools may affect your child's educational achievement. If your child is experiencing problems at their current school, it is expected that you would have tried to resolve these difficulties with the school.

If a place can be offered, it is expected that it will be from the beginning of the following new term/half-term unless there are exceptional circumstances. If you require a place for a September start of the next academic year, please make this clear on the form.

You should not remove your child from their current school until a place has been secured elsewhere.

- 4. A Child looked after, or a child who was previously looked after** but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order is a child who is a) in the care of a local authority, or b) being provided with accommodation by a local authority in the exercise of their social services functions Section 22(1) of the Children Act 1989. Confirmation must be supplied by the social worker or Local Authority.

5. Elective Home Education

If you are currently home-educating and now wish your child to return to mainstream education, you must indicate this in writing in the box in Section 5 on the application form. Please note that if none of your preferred schools can offer a place, your child will be directed back to their previous school. Please note, that if a place cannot be offered at any of your preferred schools, your child will be directed back to their previous Bromley school.

6. Bromley School preferences:

You can list up to four **Bromley** Infant, Primary or Junior Schools on your application. We advise you to list more than one preference as most classes will already be full. Places only become available if children leave.

Do not list schools in other boroughs: Applications must be made to the relevant local authority.

Children in public care: If you are a foster carer/prospective adoptive parent, you need to provide a letter from the social worker/placing authority confirming the placement.

Sibling criterion: Please provide details if your child has a sibling (a brother or sister, half/adopted/step) living at the same address and already attending one of your preferred schools.

Children of Armed Forces Personnel & Crown Servants: If you or your partner is a serving member of the Armed Forces or Crown Service, please provide an official letter confirming relocation.

Child of member of staff: To qualify, the member of staff must have been employed at the school for two or more years at the time of application or recruited to fill a vacant post for which there is a demonstrable skill shortage.

Supplementary Information Forms (SIFs): Ensure you have completed and returned SIFs to schools with faith criteria. Schools will not consider applications without the required SIFs.

7. Sibling Criterion

Children who have a brother/sister, step brother/sister currently attending the preferred school and who will still be attending the school when the applicant child starts the same school.

The child and applicant parent should be proven to be living permanently in the same family unit at the same address as the sibling/s at the school, as reflected in proof of parental responsibility including Child Benefit entitlement.

8. Fair Access Protocol

Every local authority is required to have in place a Fair Access Protocol, developed in partnership with Bromley schools. The purpose of the Protocol is to ensure that – outside the normal admissions round – unplaced children, especially the most vulnerable, are found and offered a place quickly, so that the amount of time any child is out of education is kept to the minimum.

There is no duty to comply with parental preference when allocating places through the Fair Access Protocol and it should not be used as a means to circumvent the normal in-year admissions process.

Outcome of application:

All your preferences will be considered at the same time and available places will be offered according to the schools' published admissions criteria.

- Bromley children without a school place will be prioritised
- School transfers will be processed according to availability. If we are unable to offer a place at your preferred schools, a letter will be sent within 15 school days of the date we received your application to advise you of the outcome.
- **Applications for more than one child:**
If one sibling can be offered a preferred school, but there is no room in the required year group for another sibling, parents must decide whether to accept the available place or not on this understanding.
- **Bromley residents:**
If your child is not on roll at a school, or is attending a school that is outside a reasonable travel distance (DFE guidance – 45 mins) and it is not possible to offer a place at one of your preferred schools, you will be offered an alternative school within a reasonable travel distance from the application address, where there is a vacancy.
Where it is not possible to offer any school within a reasonable travel distance your child will be placed under Bromley's Fair Access Protocol.
- **Out-borough residents:**
If you do not reside in Bromley and your child is without a school place, if Bromley LA are unable to offer a place at one of your preferred schools, then you must apply to your home authority. They have the responsibility to ensure your child has a school place, where Bromley cannot offer a place at a preferred school.

Please note: Many schools are not staffed during the school holidays, so the process may take longer during those times.

Waiting lists are held in oversubscription criteria order and will be maintained until the end of the academic year in which the application was submitted.
